From Marty Crull:

For those of us with a "Allen Connection" It appears more and more that Louisa may have been the daughter of Daniel "Senior" and not Daniel Allen Jr.

Hi Marty,

I am researching the family of Daniel Allen in that I believe a daughter of his was my ancestor. I just found your info in Jersey Co. on this family & have a question. On a recent trip to Greene I found the marriage of Daniel Allen to Sally Duvall 2/10/1821 and then where Daniel A. Allen died in Greene Co. 1825 & Sally Allen and a Daniel Duvall were appointed administrators. Heirs listed as minors were James & Alexander. Since your research states Daniel died in 1829 leaving a widow, Louisa, & children, I am really preplexed! Would love to exchange info with you. Anna in AR
